Hello & nice to meet you! I am Asami Miyabi, who is currently enjoy over 1000+ fans from KAT-TUN.

Thank you very much for buying a copy of Asami's fifth comic book, "Roar no Kiss de Tomoko!"

I asked my editor to help me think of the title for this comic. I couldn't think of any better title than this, thus we decided to use it.

It's a bit long, so you can shorten it and call it "HypnoKiss".

I tried out a story about sports, which is pretty rare for me. Asami is not good at making rough sketches at all, so it was very hard for me. I tried a lot when I drew this.

When I was talking to my editor, I talked about my old school having last-skating for sports class in the winter. "We can make a story out of that!" That was how HypnoKiss came about! It had been many years since I last skated, so to get materials for the story, I went to a skating rink. To be continued...

雖然在冰壺中，我這輩還和零歲的艾克音二國跳和四面轉跳（啊！日本的寫法好像不對！），但是這兩種其實還不容易呢！游泳的選手們，真對不起！提到艾克音二國跳，14歲的我可真失成功了耶！我在12月時去觀看了2004年全日本的游泳大賽。在現場看到這些精英，安藤美桜等有名的游泳選手表演，真是讓我非常感動！他們不覺得可憐，應該更是皮膚就！跳躍的速度，高超的技術和魅力比電視上更精妙，所以游泳最棒是要看現場的。而且才更有真實感！真要小指頭吸個子母小玲瓏。可是演技稍差，可笑運動短褲的美姓小熊既心酸又可愛。乍想真好……(嘆)

Thank you for writing me back everyone. Very enlightening.

I receive, as many other
writers do, your letters in the
morning, but every single time
I throw all of them. I think that means
they have been already read.
In everywhere in your I'm very
surprised about what you can
tell me!

But I really do like the letters.
But you need to tell I'm over
every single letter and I really
like some of them!

People send me straight books
and the chapters are very nice.
Sometimes writing me but then
they aren't good enough. I mean
no work treated.

Sometimes, people ask me for man-
uscripts, even my students ask me
for manuscripts. But even then I've
never felt like reading manuscripts
like reading the book because I don't
know how I should treat them or
what they did or didn't do with
manuscripts? Please teach me!

NOW EVEN IF
I HAVE TO USE
BRUTE FORCE,
I WILL MAKE YOU
UNDERSTAND!

STOP

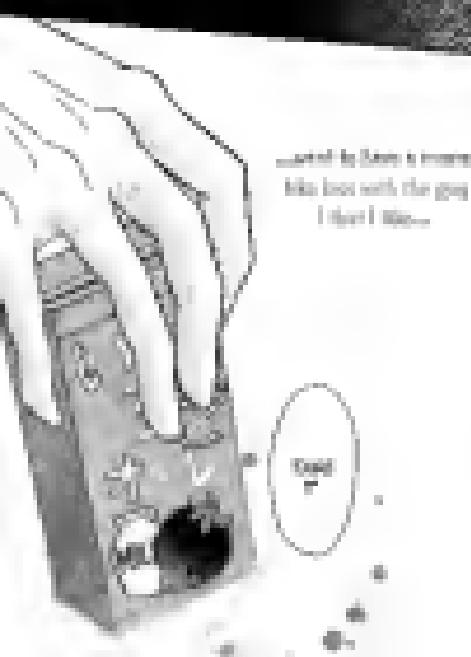

IT

YOU'RE JUST
THE SAME AS
THAT JERK!

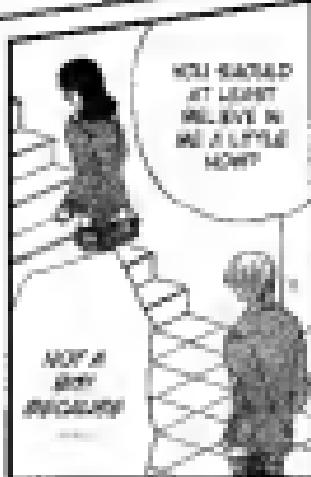

...WHAT
ARE YOU
DOING?

NOT CARING

**THAT
JERK!**

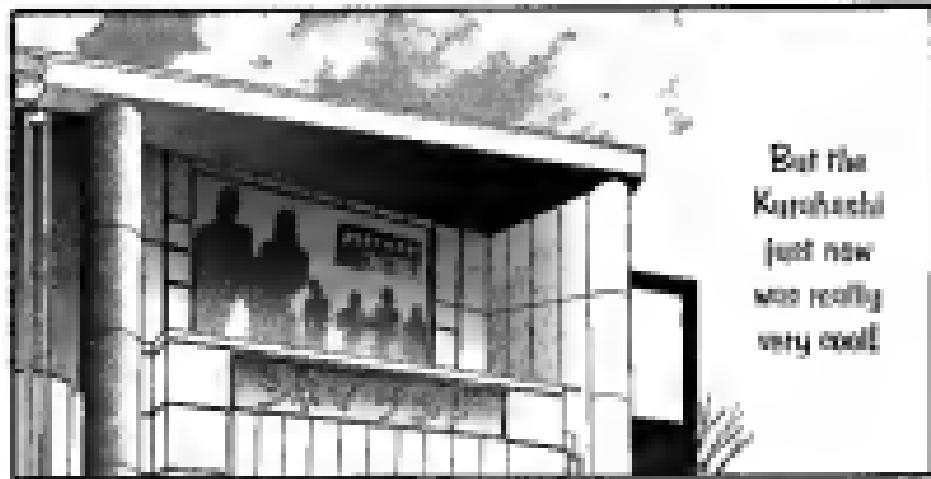

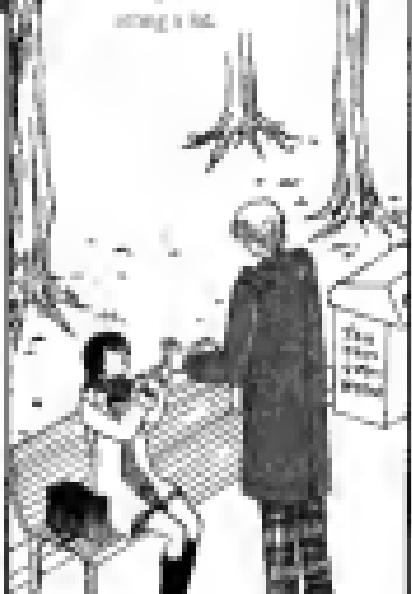

ACTUALLY,
I WANT TO
USE MY
MOUTH TO

AFTER ALL
IT'S NOT

IT DOESN'T
MATTER

NO MATTER
HOW I LOOK AT
IT, IT STILL FEELS
LIKE YOU'RE

YOUR

No!

I don't want
to let a player
beat me...

But...

My eyes,

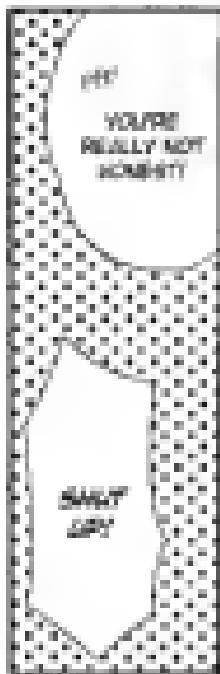

and my lips have
all been captivated
by him...

My fingers,

There's no way
I can escape!

Then,

the only
reason he got
close to me...

Well, well,
I'm not
surprised.
I expected
this kind
of reaction.
I mean,
he's been

me for

Story: Arashi

"Red Lips Trap"

This story was published after *Red Lips*, this story's
background took a lot of time to think
about, since the setting was very tight,
so my assistant, *Pearl* often
protested, and I did not want
or want to continue and finish
this story. At that time, I
consciously represented myself
as the lead girl's hair black.
However, at one time I was about
to pull myself, and on the other
I was strong the hair color, so I
absolutely put on the wrong
color! Moreover the drawings
were destroyed - if only I had more
time!

"Sugar Profes."

So old-fashioned! This is the third story I
didn't want to publish! Caught Hanako! I didn't
do it right! I tried drawing the older
version of Kurita - but there really is no
change! Since though this story has my
favorite type of young boys, but I don't
think this right, so after this I
haven't come up with any more of
watercolor-style romance stories.

The light-colored boy uniforms are
so cool! I am a big fan of it right
now. I'm a super big fan of Kurita
Kazumi's uniform (especially the
costumes) and looking at me like
I'm crazy.
